

## CC cashout method1

You need:

- a Wallet 1 account <http://www.walletone.com/>
- a Visa for the cashout (like the anon Visa)
- a mobile number of the same country of the card you must cash out (anon SIM+ cell phone never used with another SIM)
- Google Translator for translate all the Russian words of these websites

Go to:

<http://m-obmen.com/>  
<http://x.obmen.com/>  
<https://www.moneychange.me/>  
<http://www.cash4wm.com/>  
list all them.

Exchange Visa USD to W1 and you're will be redirected to the Liqpay payment processor card so you can bypass it. You're money will be sent to your W1 wallet. In you're W1 and enjoy you're money.
